About the Founder of *Quality Christian Books*

Dr. David Craig has served in Christian ministry for over forty years. He has served as a pastor, missionary, and Christian educator at the elementary, secondary, and college level. Pastor Craig brings the rich experiences of his years of ministry alive in his books. Each book is designed to encourage the reader in their walk with Christ. They also present a clear Gospel message to make Christ known to all. Dr. Craig also challenges the Church to hold fast to the truth of God's Word within the Church and in the world.

Pastor Craig also writes a daily devotional, *Abundant Grace*. This devotion is available each day, Monday-Friday at www.davidccraig.net. You can subscribe to this devotion for free and it will be delivered to your email inbox.

Quality Christian Books

These quality Christian books will be a welcome addition to any home, school, or church library. Each book has been read and endorsed by Christian leaders who uphold the Bible as the inerrant Word of God. You and your family can be blessed and encouraged for years to come as you read and re-read these books.

These books also make ideal books for reading clubs and reading circles. They can also be used as a basis for small groups or Bible studies.

These quality Christian books are also a blessing to Christian schools and organizations who use them for fundraising projects. One third of the price of each book is returned to the school or organization to support their ministries.
